

Patter maker - JACK & JONES – Beijing - China

Bestseller Fashion Group in China is currently looking for a pattern maker for JACK & JONES, with work locations at the head office in Beijing China.

As pattern maker, you will work directly with our fitting manager, buying and design team, as well as our suppliers.

Work areas and responsibilities:

- Develop and improve basic patterns in all categories
- Develop patterns for special fitting in new collections
- Train Chinese technicians in CAD/CAM Gerber

Qualifications:

- You have relevant education as a pattern maker or tailor from a recognized institution.
- You have an excellent understanding of garment construction/tailoring and good fit
- You are used to work with deadlines.
- You are able to work with CAD/CAM Gerber construction program
- You know MS office
- You have good English skills both spoken and written

Personality:

- You are outgoing
- You are organized
- You are business minded
- You have good communication skills
- You are used to work with deadlines
- You have a great interest in Menswear
- You are a team player
- You are willing to live in China

We have a very young, fast moving, fun but demanding company culture.

Work location: Beijing, China
